Prequalification of Companies
Salvage and Wreck Removal

In accordance with the Regional Protocol Concerning Co-operation in Combating Pollution by Oil and Other Harmful Substances in Case of Emergency, Article III/3-(a-ii and iii) and (e), the Marine Emergency Mutual Aid Centre (MEMAC) has carried out a full Salvage and Wreck Removal prequalification audit investigation and verification on the company **Grand Ocean & Williams Co., Ltd.**

Grand Ocean & Williams Co., Ltd. has clearly demonstrated a high standard in-house recourse experience and capabilities to operate in accordance with requirements of safe high standard required for the operations in terms of: dealing with salvage, wreck removal, experience, knowledgeable, manpower, equipment, transportation and disposal of Solid and Liquid Hazardous, Non-hazardous waste and Tank cleaning by means of zero impact to the environment, as it is required by ROPME Sea Area Member States' standards.

During the auditing process, **Grand Ocean & Williams Co., Ltd.** clearly demonstrated their capabilities towards the operation requirements.

Accordingly, MEMAC has issued this statement to confirm its approval for the safe use of **Grand Ocean & Williams Co., Ltd.** services under the International and Regional Standards in the ROPME Region.

Captain A.M. Al Janahi
